To whom it may concern

Clip Ltd. have been our preferred supplier of display stands and ancillary equipment for the last 3 years. Over this time they have more than lived up to their original promise of putting the customer first. We can depend on them to meet deadlines and supply top quality product. More than once they have pulled the stops out to meet an unexpectedly urgent request and have never compromised on quality.

We consider Clip Ltd to be an important part of our congress planning team and would have no hesitation in recommending their services.
